Message from Mrs Chatterjee

The ENO (English National Opera) 'finish this...project' involved Y4 children working with the ENO to complete an unfinished piece of opera. They created and produced their own music based on a colour. Both classes did really well with class 4C's music composition 'Amber' being made into an animation.

This week we have spoken to the children about reducing food waste and general waste in school. We have noticed that at lunch time the children who bring into school a packed lunch are throwing away more and more food. Parents are therefore unable to see what has / hasn't been eaten for lunch. Therefore moving forward, the children will be asked to bring home their rubbish and recycle it at home.

Some members of our ECO Warriors club and School Council joined forces with other local schools this week to take part in a litter pick as part of Earth Day. Together we collected 15 bin bags of rubbish from Bobby Heywood Park next to our school. We couldn't believe how much rubbish we found around the park! Next time you are enjoying the park, make sure you are encouraging others to use the litter bins to keep it clean and safe.
